- Be sure that you are choosing the correct Class for your exhibit. **Not more than one entry from the same person in any one Class, please.**

Letter from the Chair

The Committee and I are so excited that this year's Show is going ahead! We had to make the difficult decision last year to cancel the Show due to the Covid-19 pandemic. It was the first occurrence of the Show being cancelled in its 70 year history, however, the safety of the people of PE4 and our Committee was paramount. We continued to have our regular meetings via Zoom.

In its place we arranged the Scarecrow Trail around PE4 which was a fantastic success with hundreds of people walking the streets of PE4 to see the amazing creations, Happily, the Scarecrow Trail returned in May this year. The Scarecrow sub-committee has done a fantastic job over the past year, and we hope the Scarecrow event will be an annual fundraiser for the Show.

This year's Schedule is slimmed down to reflect the need to keep social distancing in place during the Show and we are implementing a one entry per class requirement for this year. This is to help keep everyone safe. We will also only be awarding cash prizes for the junior classes.

We have some new categories to enter, including a new Novice Gardener of the Year!

I would like to say a huge thank you to the Committee who have worked hard to bring the Show back in 2021. Also, a massive thank you to all our sponsors, without their support the Show would not be able to go ahead

We can't wait to see you there! See you at the Show!
