Letter from the Chair

The Show returns this year at full capacity once again following the removal of all Covid-19 restrictions. Despite the restrictions last year's Show was a great success but we are so pleased to be running a full Show once more.

This year's Schedule has been increased following the slimmed down version last year, with lots of new exciting classes to enter, including: a Jubilee theme in Photography, new cookery classes including piccalilli, sausage rolls, macarons, confectionery, Bakewell tart and illusion cake. We have also reinstated several Floral Design classes.

Once again we had a fantastic Scarecrow Trail in early June this year which was well attended with lots of fantastic creations on show, with the theme celebrating the Queen's Platinum Jubilee and hundreds of people walking and cycling round the two trails. As always, the Scarecrow sub-committee has done a fantastic job over the past year, and we are so pleased to see the Scarecrow Trail continue to be a fantastic annual fundraiser for the Show.

I would like to say a huge thank you to the committee who have, as always, worked incredibly hard on this year's Show.

Also, I would like to say an enormous thank you to our sponsors, old and new, without their support the Show would not be able to go ahead.

We cannot wait to see you there! See you at the Show!

At time of printing the decision whether there will be a 2022 Werrington Church Christmas Tree Festival is pending. If it does go ahead the Show Society would like to retain the decorations submitted in the above classes to decorate the Show tree, showcasing the crafting skills of the people of PE4. Otherwise, the decorations can be collected at the end of the Show.
